United States Magistrate Judge

I, Mark A Saari, being duly sworn, hereby depose and say:

I am a Deputy United States Marshal and have been so employed for over 2 years.

This statement of facts is made in support of a complaint against Carlos Rice for Escape from the custody of the Attorney General, in violation of Title 18, United States Code, Section 751(a). On June 2, 2008, I received a report that Carlos Rice had escaped from the Correctional Alternatives Inc., 551 S. 35<sup>th</sup> Street (Site2), San Diego, California, a federally contracted facility.

On June 3, 2008, I reviewed files from the United States Marshals Service and the Correctional Alternatives Inc. Office. My review of the files revealed the following facts:

Records show that Rice was serving a sentence of 30 months imposed by United States District Court Judge Thomas J. Whelan, Southern District of California, February 14, 2006 for Importation of Marijuana (Title 21 USC 952 and 960).

On March 27, 2008, Rice was transferred from FCI - Lompoc to Correctional Alternatives Inc. Rice was scheduled to be released on September 21, 2008. On June 1, 2008 at 12:30 A.M., a Correctional Alternatives Inc. staff member observed Rice with a group of eight other Federal residents in the men's restroom. The residents and Rice were asked to report to the front desk to be breathalyzed. Rice was breathalyzed at 12:47 A.M. with a positive reading of .014. At 12:52 A.M., while waiting for a second test five minutes later, Rice ran from the facility. The program manager was contacted and Rice was placed on escape status at 1:47 A.M. All local law enforcement and hospitals were contacted producing negative results. Rice's current whereabouts are unknown and he remains a fugitive.
